Please provide a short biography/synopsis that describes your quilting experience.

Include a description of (but not limited to):

- the style of your work: art, contemporary, modern, traditional, other (define).
- how, where and when you learned to quilt, including significant workshops taken.
- if used, include how automated tools (e.g. computerized design, stitching machines) are used.
- your success stories, awards/ribbons if any, acceptance in to juried shows
- any anecdote that helps describe what quilting means to you, what influenced you i.e. family heritage, equipment, methods, people or other influences on your quilting
- what local guild(s) or other quilt related organizations you are a member of and how you contribute to them along with how they affect your quilting

Also, describe your contribution to share your knowledge and preserve the art/craft for the future through quilt related projects for your community as well as your guild. This could include community outreach related to quilting, charity sewing, mentoring and/or education you have provided, guild support activities as an officer or committee chair, projects you have led, sharing skills with others in guilds, community organizations or demonstrations at events as well as any activity that has promoted the art/craft of quilting.

The above must support you as a very active quilter with an enthusiastic interest in quilting over a period of time, either in the past or present. Your work will demonstrate your technical capability and must be of superior techniques, quality control, and workmanship. Quilt projects for community and guild are valued at 25%, with technical skills at 75% of the total score for judging. If the nominee does not meet the criteria for community projects, they are not eligible for induction to the CMQHOF.

I VERIFY THAT I HAVE MET THE STANDARDS FOR JUDGING LISTED IN THE CMQHOF CRITERIA, THAT I LIVE IN ONE OF THE 5 COUNTIES, THAT I HAVE COMPLETED ALL OF THE WORK MYSELF, AND THAT I HAVE NOT USED A KIT IN ANY OF MY SUBMISSIONS.
