

QUILTERS HALL OF FAME

January 13, 2023

Dear guild members,

Spring is on its way and with it many guild activities. Among them is the nomination of new members to be inducted into the Catskill Mountain Quilters Hall of Fame. We are asking you to nominate any quilter(s) from your guild that deserve to be considered for induction into the Hall of Fame. There is no limit to the number of quilters each guild may nominate but according to our By-Laws, no more than five quilters will be inducted in any given year.

Enclosed are an Application Form and the Criteria for Judging. Please make copies of both items for anyone interested in nominating a fellow quilter and especially for anyone who is nominated from your guild. When considering your nominee, please keep in mind the following qualifications:

The nominee

must reside in Delaware, Greene, Schoharie, Sullivan or Ulster County

must be someone who, over time, has contributed to the art of quilting with excellence in workmanship.

should be active in ensuring the future of quilting by preserving the spirit of unselfish sharing within their community and beyond.

must exhibit a skill level which shows excellence, creativity, superior techniques, and workmanship.

If you know of a quilter that fits the above criteria and would like to sponsor her/him, please fill out the application form and return by April 14, 2023 to: Judy Craddock, 281 Van Ettan Rd, Prattsville, NY 12468

Sponsors, or their representative, should be prepared to submit examples of the nominee's work to the HOF Judging Panel consisting of one inducted HOF member from each of the five counties. Judging appointments will be held on Monday, June 5, 2023 at the Erpf Center Catskill Center for Conservation and Development, Route 28, Arkville, NY. All nominees will be notified of the judges' decision and will receive a written critique of their work. Nomination does not guarantee induction.

If chosen for induction into the Hall of Fame, the nominee will be asked to submit a finished quilted and bound block (12-15 inches) at the Induction Ceremony in September in Sullivan County (date/location to be determined). This block will be photographed and included in the HOF video and put on permanent display at the Catskill Center.

Sincerely,

Patricia Clark, President
